transport them to the suffering soldiers The British tunnted them with being a pack of tatterdemulions, and at one time a nurtiny broke out, but Washington's influence prevented any great defection or damage to the service from this source. Again and again did he appeal to t'ongress for supplies

for his sorely distressed army, but he could not arouse it to a sense of its duty toward the wretched soldiery. The intrigues against him were still going

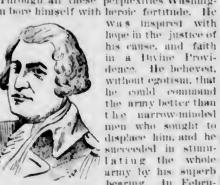

on hand out of l'ongress. General Gates had been unde president of the Hourd of War, and was using all his influence to succood the commander-in-chief. Though Washington knew at all, he remained at his post of duty, cheering his men by his own wondrous devotion to duty. Finally matters became so had that he was compelled to permit his men to forage, something he always deprecated, as luciting soldiery to riot, as being difficult to suppress, and rulnous to the inhabitants, and, in many cases, to the army itself. When the country laid been stripped of about every thing it contidued, It became necessary to make a sortic on

WASHINGTON'S HEADQUARTERS AT VALLEY F10110-1.

Chester, and Washington ordered Generals Huntington and Varnum to hold their brigades in readiness. To show the terrible state of the army at this period, quotations from the replies ande by Hantington and Varnum are given General Huntington said: "Fighting is profesable to sherving. My brigade are out of provisions, nor can the commissary obtain any meat. I have used every argument my unagunation can invent to make the soldiers easy, but I despair of being able to don much longer." General Varioum said it was a pleasure to be on the march, as for three days his men had been without bread, and two days with-
